

Registration Page 1 - Registrant Information

Welcome! These forms will help you to get signed up for all of the fun activities at Anaheim Special 2008. Please check the AS2008 website (www.as2008.org) for recent updates and changes to the Tours and/or Extra Fare items. You may be able to register directly on line. Please check the convention web site at www.as2008.org for additional information.

There are lots of great choices, and these forms will help guide you through making your selections. As you complete each page, copy the total amount to the "Totals & Payment" form towards the back of the forms packet (Form #10).

The last page of the packet is the hotel reservation form, which is detached and sent directly to the hotel.

First, we need to get some information about you and your family members who may be registering with you:
