

# Convention Registration & NMRA Membership

Title    First Name    Last Name    (please print)

<b>Name:</b> (Primary Registrant)	
--------------------------------------	--

Next, we need to find out what types of registration(s) you need for the convention. Also, since NMRA membership is required (for the primary registrant) to attend the convention, you can join up or renew your membership on this page as well.

If you wish to attend any of the OPSIG or LDSIG events, you will need to be a member of that SIG. You can join or renew here too.

When you've completed this page, remember to copy your totals to the "Totals & Payment" page (Form #10).
