Did you know?

Each year, tens of millions of dollars are donated to charities all across America. These tax-deductible donations can include the NMRA, an educational not-for-profit association that educates, provides outreach, and creates standards for model railroaders around the world.

NMRA members can check with their local employer to see what they can do to make a payroll deduction to the NMRA that fits their company's budget. Several large corporations also provide a match program through doublethedonation.com. As a participant, you provide a donation and your employer matches your donation. The NMRA uses these funds to continue to educate, promote, and develop standards, so all may enjoy the greatest hobby in the world.

We appreciate any and all donations and you will be doing yourself and your hobby some good.

Help your employer donate to a great cause.
