INSTRUCTIONS

1. Completely fill out Entry Form 904. Be sure to identify your module location using the National Train Show location number from the key map.
2. Turn in the completed form to the NTS office before the train show opens to attendees or general public.
3. Obtain the Module Contest Identification Form 905 ("E" Sheet) at the NTS Office; enter your name in the space provided and hang the identification form on the most visible section of your module setup.
4. Evaluations typically begin about 10:00am and usually conclude about 2:00pm. It is your responsibility to notify evaluators no later than 11:00am to be included in the national contest.
5. The module contest awards will typically be presented Saturday afternoon, but may be included as part of an evening awards presentation. The location and time will be announced to contest award winners.
6. Photographs of the winning modules may be taken after the awards ceremony, and award winners should keep the Form 905 "E" sheets affixed to the front of their modules (assisting the photographer in obtaining a quality image).
