The NMRA has had membership contests before, but not like this year’s. This year they’ve gone totally “prize crazy” and plan to give away 18 brand new locomotives in only three months.

The contest kicks off on November 1, 2006, and runs until January 31, 2007, and works like this: current NMRA members are asked to get their non-NMRA friends to sign up for a full membership. Then both the new member and referring NMRA member will be entered into a special random drawing. Each month for three months the NMRA will draw the names of three new members. The new members and their referring NMRA “sponsor” will each receive a brand new locomotive.

The prizes were donated by Atlas, Life-Like, Bachmann, and Kato, and include motive power in N, HO, On30 and Large Scale. Models on the giveaway roster include an Atlas SD35, a Bachmann 2-6-6-2, a Kato SD38, and Life-Like PA/PB units.

Now’s the time to sign up those “on-the-fence” friends of yours! See the ad in the special “Gift Guide” in this issue, then make copies of it to distribute to all your friends. They’ll get all the benefits of NMRA membership for a year. And you both may get a little loco from it!
